

Confirmation of compliance with the Payment Card Industry Data Security Standard

Perspectives Software Solutions GmbH
Birmensdorferstrasse 101
8003 Zurich Switzerland

This confirmation refers to the validation of the below-listed evaluation areas of the Payment Card Industry Data Security Standard in the current version at the time of the assessment. In line with the specifications laid down by the Payment Card Industry Security Standards Council, the aforementioned company has provided the following:

| Validation measure: | Validation | Result | Valid Until |
|------------------------------|--------------------|---------------|--------------------|
| SAQ (Self-Assessment) | 13-Jan-2017 | passed | 12-Jan-2018 |

This certificate has been generated automatically.

As laid down by the Payment Card Industry Security Standards Council, the information contained in the above-listed documents in the sections "Attestation of Compliance" is binding for PCI-compliance. This confirmation is only permitted to be used during the above-stated validity period. Furthermore, this certificate does not imply any auditing activities and does not constitute formal acceptance or approval of the validation documents by the Payment Card Industry Security Standards Council, a credit card company or TÜV SÜD Sec-IT GmbH.
